

# Become a Child Care Provider

Welcome to the world of child care and all the help you'll need to create a successful business as a child care provider. Learn from others who've worked in the field for decades, get one-on-one coaching for the creation and operation of your business, and receive essential training and support throughout the year.

## There are many benefits

- Financial and start-up help is available
- Many of the required trainings are inexpensive and often paid for
- Work with no commute
- Learn new skills
- Provide child care instead of pay for it

## Be your own boss

- Be your own boss
- Create a job that's always in demand
- Create an incredible and creative environment to spend your days in

## Be home with your own kids

- Spend quality days with your kids
- Be home with your children rather than someone else
