WHO WE ARE

The East Central Regional Transportation Coordinating Council (ECTRCC) is an initiative of the East Central Regional Development Commission (ECRDC) serving the counties of Pine, Isanti, Chisago, Kanabec, and Mille Lacs through a grant from the Minnesota Department of Transportation.

ECRTCC has established a vested group of stakeholders working to serve our region's transportation needs. ECRTCC, transportation providers, service agents, and private sector are working together to fill gaps, streamline services, and provide further options for those traveling.

TYPES OF SERVICE IN OUR REGION

Public Providers

Public providers include the transportation systems that operate and serve the general public. They are ADA accessible, and do not have limitations regarding who can use them. They often have fixed or deviated routes.

Private Providers

Private providers operate privately-owned vehicles rather than commercial, public transport vehicles. Often, the vehicle owner or driver provides rides as it fits into their business schedule based on other business and transit routes.

Other: Electric Car Charging/Park & Ride

An electric vehicle charging station, also called electronic charging station (ECS), supplies electric energy for the recharging of plug-in electric vehicles including electric cars and plug-in hybrids.

Park & Rides are parking lots used as connection points for commuters to leave one vehicle and connect with another to continue their trip.

THE BIG PICTURE

How do I get where I need to go?

In a region as rural as East Central Minnesota, transportation needs are often fulfilled by one lone provider, but can include a combination of several. Either way, ECTRCC strives to give you the resources necessary to find your way.

A CONVENIENT SOURCE OF TRANSIT INFORMATION FOR CENTRAL MINNESOTA

Inevitable change

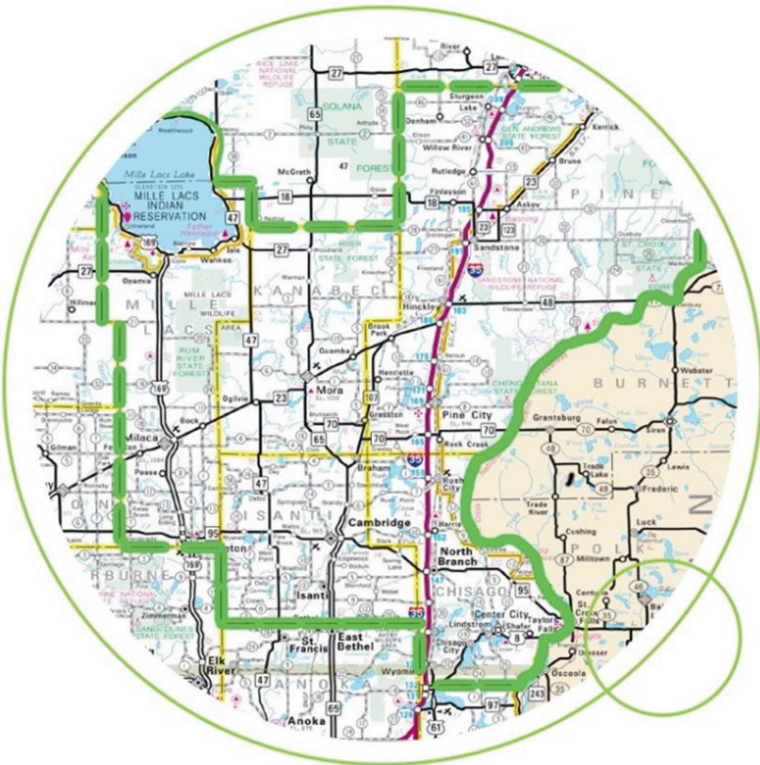

Providers come and go, routes change, schedules shift, rates adjust. Should you find something to be inaccurate in this document, please bring it to our attention so we can make necessary changes. If you have any suggestions that would make this document more useful, they are more than welcome.

THE MISSION

What is the goal?

ECTRCC's goal is to coordinate transportation services ensuring transit throughout the region is convenient, affordable, and will benefit residents in East Central Minnesota who face transportation barriers.

TRANSIT PROVIDERS

- **Allegiance Transportation:** (651) 207-5211, 9550 Whistling Valley Trail, Lake Elmo, MN 55042, fax (651) 294-3083. <http://www.allegiancetransportation.com>. Vans for paratransit and wheelchair clients. Phones answered Monday-Friday 8am-4pm. Private pay option offering individual transport.

Drivers Wanted!

Make a difference for someone today!

volunteer!

"I thought driving as a volunteer would make someone else's life better. I didn't realize it would make such a difference in mine. I love it and the friends I've made!"

-- Jack, volunteer driver since 2017

- Mileage reimbursement
- Drive as much or little as you like
- Flexible schedule
- Help seniors, veterans, and others access needed appointments, community services, and much more!

EastCentralTransit.com

ECRTCC is an initiative
of ECRDC & partially
funded by MnDOT
