JULY 2025

EAST CENTRAL REGIONAL DEVELOPMENT COMMISSION  
1:00PM | 100 S PARK ST, MORA, MN

Working with Lighthouse Child and Family Services, East Central Regional Development Commission, and East Central Regional Transportation Coordinating Council, a team of University of Minnesota faculty and graduate students researched the rural public transportation challenges in the region and the opportunities that could help to expand services for residents. The study included focus group research and interviews as well as transit data analysis to comprehensively explore options for creating a regional transportation program that increases transit mobility.

County Board Members, City Council Members, and State Legislators from across the region are encouraged to attend. Following the presentation, there will be an opportunity for questions and discussion with the project team. RSVP is appreciated.
